Today, Men are looking to make a real difference in the world. They desire to live for something greater and deeper. Men are seeking more meaning, belonging, and purpose than any other time in human history.

Men are yearning for a more rooted and authentic relationship with God, and to impact their families and communities. This is why we are reigniting the Promise Keepers Movement—THIS IS A NEW ERA.

Women Pray – PK 2020, a monthly prayer conference call, and Hannah’s Initiative Prayer Pods have been established to help usher in this movement of God through our prayers. D.L. Moody stated, “Every great movement of God can be traced to a kneeling figure.” That’s us, Ladies!

We are establishing Hannah’s Initiative Prayer Pods in all 50 states and possibly beyond. If you would like to join a Prayer Pod, facilitate a Prayer Pod and/or join my monthly prayer call please contact me.

The men of America and the world desire our prayers!

Sincerely,
Miriam Remington
